Dear Year 11 Parents / Carers

Cancellation of Year 11 Information Evening Thursday 19 March

It is with regret that we will need to cancel the parent information evening, as despite our best efforts to move it forward, the Coronavirus is moving more quickly! Based on the latest advice it is not appropriate to ask you to attend a meeting in school with a large number of other people.

We have prepared information packs including the latest grades in all subjects. We would normally be giving our resources to revise but this year with a possible closure looming it is even more crucial the students have all the information they need and access to on line resources. Many staff have produced booklets for students to work in and copied past exam papers. We will make sure students who are in school have all this before the end of the week and it will be available to collect from tomorrow for any others, those that are not collected by Friday will be put in the post.

At this time, we do not have any answers on what is happening with GCSEs other than to plan as normal. We have however had confirmation that the **GCSE Drama exam will be postponed to early May** and the **GCSE PE moderation will take place in late April**.

I will keep you informed as things change and will try to answer any questions you have by E-Praise message, e-mail or phone.

The students have been amazing in the past week and have approached the whole situation with great maturity. We will do all we can to support them over the next few months, wither in school or at home and I thank you for your support in these uncertain times.

Yours faithfully

Mr R Harrison
Headteacher
