Dear Parents/Carers

Year 6 Introduction

I would like to invite you to consider The Market Weighton School for your child's secondary education. We are a small local school with high expectations of all our students. Our GCSE results have improved year on year over the past 4 years and we are proud of our growing reputation as a school where all students are made welcome and can achieve.

The best advert for any school are the students, and the best time to see any school is during the school day. We usually hold an open evening where we aim to show the school at its best but due to the current restrictions we will not be able to hold such an event this year. We know that many of you have visited us before and are familiar with the school, for those who are not our [website](#) is a good place to start finding out more about the school.

We will be adding a virtual school tour and you can already view our current Year 8 students explaining some of our school routines to Year 6.

If you are undecided about a place for your child or perhaps your child has specific needs and you would like to visit us during the school day, we are able to offer a small number of personal tours which will be conducted in a suitable socially distanced manner. All visitors need to wear a face covering. If a visit is important to you please e-mail office@tmws.co.uk

Our Head of Year 7 and transition leader, Mr Yeadon, will also be contacting your child's Primary school to discuss how he may be able to visit and meet Year 6 and answer their questions without compromising any COVID-19 'bubbles'.

I also plan to deliver a short presentation live on Facebook on Wednesday 30 September at 6.30 pm where I will answer any questions you may have.

I hope we are able to meet in person soon and that we can make the transition to secondary school as smooth as possible for you and your child.

Yours faithfully

Mr Richard Harrison
Headteacher
