Spring Term 1	Spring Term 2
Rotations N/A	Research – Carry out your own research in to conjoined twins, create a fact file on the information you find out about conjoined twins.
	Y9
Summer Term 1	Summer Term 2
Watch – Babies – What babies know on Netflix. Create a poster on all the facts you've learnt about babies.	Visit – Smyths Toy Superstore. Visit your local Smyths Toy superstore (if you can't visit, use their website). Create a list of all the things you would need for a new born baby. Price up how much your new born baby would cost!
	Y10
Autumn Term 1	Autumn Term 2
Interview – create interview questions to carry out on someone you know, include questions around the labour process. How long was your labour? Pain relief, include questions about how they felt, who was there? Carry out your interview on a chosen person.	Research – Carry out your own research in to 'The natures Vs Nurture Debate'. You will find lots of information around this debate on the internet. Create a piece of writing on your opinion of the debate. Do you agree? Disagree? Undecided? Why?
