

**Year 10: Summer Term 1 super curriculum**

<i>Half Term one: Visit</i>	<i>Read</i>	<i>Write/ create</i>	<i>Research</i>
If possible, visit a theatre or cinema to see a production of the texts we study. Alternatively, locate productions available online e.g. at the National Theatre Online or the BBC Shakespeare archive.	Read the British Library's online resources relating to the texts we study and their contexts. Google "British library" plus for example "A Christmas Carol".	Experiment with creating your own exam style questions on the texts and then answering them yourself. Use the typical format and replace key words to change the question e.g. "Explore the way the writer presents ideas about ....."	Research a range of previous productions of our study texts and what influenced the director's decisions. These could be film or theatre productions. IMDB is a good place to start.
