

**Y8 Summer Term 2 Super Curriculum**

<i>Visit</i>	<i>Read</i>	<i>Write/create</i>	<i>Research</i>
<p>Half term 2:</p> <p>Go to a cultural event. This might be something big like The Freedom Festival in Hull in August or a visit to the cinema to see a film which interests you. Our culture is informed by the music we listen to, the books we read and the films we watch as well as by the place and time we live in.</p>	<p>Challenge your understanding of what it means to feel part of two cultures by looking at Presents From My Aunts in Pakistan by Moniza Alvi. She has written many other great poems so maybe delve a little further into her work.</p> <p><a href="https://www.poemhunter.com/poem/presents-from-my-aunts-in-pakistan/">https://www.poemhunter.com/poem/presents-from-my-aunts-in-pakistan/</a></p>	<p>A poem of your own, using any structure that suits you, which expresses some aspects of your own identity.</p>	<p>Research local culture. What do you know about the history of the place you live in and how it has developed</p> <p>Or research your own family history and find out more about your own roots and what makes up part of your personal identity.</p> <p>You could use the BNA website which has archives of all local newspapers</p> <p>Or try findmypast.co.uk and look up who lived in your house in the past (if it's pre WW2)</p>
