<https://www.youtube.com/watch?v=nx1tOOc3fU>

Year 10

Make a piece of software that you have used for simple tasks, Word, Excel, Photoshop, and investigate how what else you can do with the software.

In Word how do you mail merge information?

In Excel how to automate a sequence of tasks so they run all together?

In Photoshop learn a new skill to alter and edit your images.

Year 11

How will the rise of more artificial intelligence affect humanity? This is a topic that has been the subject of many films, try watching Jonny Mnemonic, Blade Runner, The Matrix. Should we be controlling what is happening?
