## Headteacher Update

The first 3 weeks of 2024 have been as busy as ever in school with several parents events and more coming up over the coming weeks. Year 11 students are approaching their second set of trial exams and hopefully getting into good revision habits in school and at home. We offer additional lessons every lunchtime and Tuesday, Wednesday and Thursday afternoons. We will also be offering revision throughout the school holiday periods at February half term, Easter and the Spring half term. Students also have access to GCSE Pod, a great on line resource for revision and self testing through the 'Check and Challenge' tasks. Mr Savage monitors all this along with other key data on school and sends regular communication to parents so that you can help support your child to make the most of what is on offer.

Our students have been busy too, setting personal goals for 2024 and seeking to be the best version of themselves. This year we have been working with Hull City's Tigers Trust who are working with various groups of students on a range of activities including sports leadership, community action and self esteem. In addition the Trust run events and competitions. Earlier this month a group of Year 9 students presented a community action project proposal which was selected to represent Tigers Trust in the Premier League Inspires competition in London later this year. The winning team is featured on the front of this Newsletter and we will ask them to tell us more about their project plans in our February edition.

The project the students plan to develop is about supporting positive mental health, something we care passionately about at TMWS. Our Well-being Centre provides support for students throughout the day and this year we are also working in partnership with Hull and East Yorkshire MIND. HEY MIND have already delivered resilience workshops to all Year 7 students and worked to support a number of individuals. We have asked them to deliver an event for parents which is taking place on Tuesday 6th February at 4:00pm in school. We hope you will be able to join us and if successful we will look to arrange further events.

This additional support has only been possible due to the generous support from the community we have received in recent years, in particular from the Snow Ball organised by James Ducker and Langland's just over a year ago. We are lucky to have such support from local businesses but as school funding becomes increasingly challenging we are looking to re-launch a PTA or Friends of TMWS association. This group will also serve as a focus group of parental opinion so that we can ensure we are delivering on the things that are important to you. If you want to support us with this you will see details in this Newsletter and on Social Media.

February starts with our annual musical production. This year our students are performing FAME jr based on the hit stage musical and 80's TV show. It will be well worth coming to see so please pop into school to buy your tickets in advance to avoid disappointment especially if you are wanting to see the show on the final evening. The show is being performed over 3 nights so hopefully we will have plenty of tickets for all. As ever we have been supported by local businesses with sponsorship and raffle prizes and the usual refreshments will be available before the show and during the interval.

Our plans to convert to Academy status and form a new Multi Academy Trust with Wyke College have been progressing through a due diligence process and planning possible governance and finance structures. Immediately after the half term break we will be formally launching a stakeholder consultation with the opportunity for parents and members of the community to attend events at TMWS on Wednesday 28th February at 6:30pm. We will be able to explain our plans and seek your views and ideas. It is very much the intention that TMWS remains at the heart of our community.

In addition to the events above parents of Year 8 students will be invited to meet subject teachers on Tuesday 20th February, with our Year 7 parent's evening taking place before Easter. It is always a pleasure to welcome parents into school and hopefully we will see you at our FAME production or one of the other events taking place in the next month.

# Welcome to our Well-being Centre and Team

## Who are we?

Mrs Bell & Mrs McCall work full time in the school's Well-being Centre. Their roles include supporting and encouraging the students by working with them on many aspects of their education. In liaison with the Heads of Year, Mrs Bell (ELSA) & Mrs McCall (Drawing and Talking) will identify students requiring additional support and work with them on, for example, revision programmes, past examination papers, examination anxiety, well-being, emotional literacy support, aspiration and achievement.

## What do we do?

The team supports students who are struggling with all aspects of school life. The Team also supports students with their emotional health and well-being.

New developments this year have been the additional of a HeyMind Worker Laura Bushnell every Tuesday who has provided support and intervention to over 200 students across the whole school community.

On a Monday we also have the support and intervention for Y10 and Y11 from Mrs Christina Colmer who is working alongside these year groups to promote Emotional Resilience and Future Proofing.

With the support of these professionals, we will be offering a series of Parental Workshops so that you can be well equipped to support your child through their school life. The first session will be on 6<sup>th</sup> Feb **“How to have a conversation about Mental Health”** See additional advert in this newsletter.

## How do students access the Well-Being Centre?

If students are struggling with any issues in school, they need to approach their own Head of Year so that they can offer them or guide them to the right support that they need. The Head of Year will determine if any additional support is needed and they will then make a referral to the Well-being Team. The individual is then allocated one of our wellbeing team to provide more intensive support for a period of 6 weeks. These appointments are made at fixed times and are planned on a weekly basis not to disrupt the same lessons and the students learning each week.

The Well-being Team meets weekly and discuss the progress being made by all the students being mentored; if we feel that additional support is needed then Mrs Curtis the Child Protection Officer/ Deputy DSL will make a referral to outside services if we feel that this is the next line of support needed. Parents are kept informed of all of this intervention and the team is available to discuss any concerns and offer support to any parent about their child.

The Well-being Centre can and is used by students who are in crisis or present as such whilst in school. Again, Heads of Year play a role here and will make a judgement to facilitate use of the Well-being Centre.

### PTA Launch Meeting

**Wednesday 31st January**  
**@5.30pm**

We have not had a PTA for a number of years now and would be delighted for you to get involved and help us to re-launch it.

**Main objectives would be:**

- Organising Events
- Fundraising
- Giving feedback to senior staff

We have not had a Parent Teacher association at The Market Weighton School for many years. In the past year several parents have offered to help with fundraising and organising events in school. A PTA or Friends of group can also be a great sounding board for parental opinion and help us keep focussed on what matters most to parents.

School funding is again becoming increasingly stretched and in order to maintain and grow the opportunities we offer at TMWS we need to maximise funding and actively fundraise ourselves, parents can be key in this with ideas, contacts and time to help.

If you are interested please join us at our launch meeting this week.

SENCO Message: A huge Thank you goes to the 18 families that attended and supported their children in the preparing for adulthood event. Your support is greatly appreciated to our parental events and having the confidence that knowledge can be shared and communicated leads to successful outcomes for young people. This month we realise the impact a shortened half-term can have in benefitting some Young People but our expectations and routines remain important. Please do remind your children of the importance of a calm and orderly building. So many of our Young students see a positive impact of this. Whether it be those who have Autism or those who find louder noises and crowds a challenge.

A student on the Special Educational Needs and Disability register may be allocated a keyworker. This member of staff will be a key contact for you and your child along with their form tutor and Head of Year. If you would like to know more about our internal team processes, please visit our school website's policies section.

Here you will find The Market Weighton School's SEND Policy and SEND Information Report

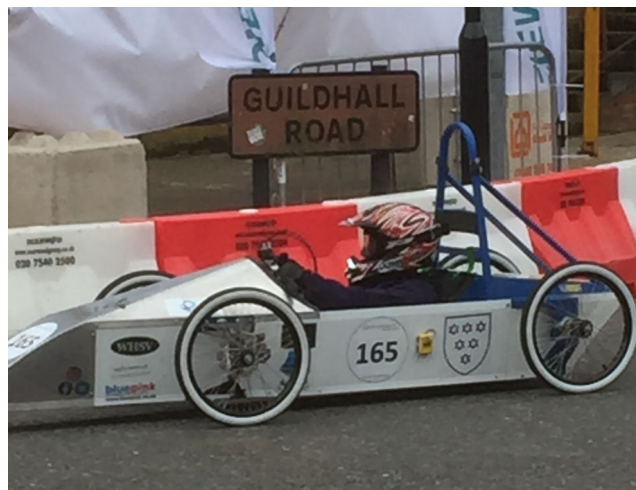

If your child needs SEND support, please contact our team E-praise or via school reception. A form Tutor, Head of Year and in some situations a Keyworker is the quickest route to speak with a member of staff.

# Greenpower Race Team is back for 2024!

Greenpower Education Trust, a charitable organization based in the UK, aims to ignite the passion for science and engineering in young minds by engaging them in the design, construction, and racing of electric cars.

The Greenpower challenge leverages the thrill of motorsport to motivate youth to excel in Science, Technology, Engineering, and Maths (STEM). With over 700 teams nationwide, hosting 30+ regional events and an annual International Final, the initiative involves more than 10,000 students each year, spanning from primary school to university levels.

At TMWS, we proudly lead a student-driven Greenpower Formula 24 team. We are actively seeking potential sponsors for #TeamTMWS in the upcoming race season. Our reliance on sponsorship, whether through donations or the procurement of parts, underscores the vital support we receive from local businesses. The team is guided by two dedicated teaching staff members who volunteer their time, providing our students with a remarkable opportunity to participate in this exciting venture. The car last raced in 2019 before COVID put a stop to events for 2 years, and needs a lot of work to get it back on the road ready for the 2024 race season.

A heartfelt thank you goes out to Giant Bradley Sweetshop in Market Weighton for their generous sponsorship and contribution to our raffle prizes. Their support plays a crucial role in financing the TMWS Student Greenpower F24+ Racing Team for the forthcoming season.

The winning ticket was 285 and won by a Year 11 student – Olivia.

If anyone else is interested in sponsoring the team to contact [jbellerby@tmws.co.uk](mailto:jbellerby@tmws.co.uk).

## The E-praise Reward Scheme

Our Merits reward scheme recognises students' achievements over the course of the academic year.

Merits are awarded when students are meeting at least the standard of 'good'. This means bringing correct equipment to lesson, being on time, focusing and engaging in the lesson, not disrupting the learning of others so that they can make at least good progress too.

Merits are also rewarded at teachers' discretion for above and beyond efforts, such as excellent contributions in class, exemplary homework, etc.

Students who show really high aspiration regarding their future employability and personal development will also be recognised and awarded extra points. This includes participating in whole school activities such as: team sports, enrichment activities, open nights, community work and extra classes after school.

Attendance is really important and links strongly to academic outcomes. Every student who achieves 100% attendance will be awarded additional Merits on a weekly basis.

## Library news

Students returned to school after Christmas to find lots of new books on the shelves to borrow. As well as showcasing the new titles we have also had a display of books to banish the January Blues.

These were chosen to make readers laugh, warm their hearts or transport them to warmer climes.

The library has also had a bit of a reorganisation. The Mystery & Thriller genre is so popular that it now needs two sets of shelves to house all the books we have been buying.

The Non-fiction has been reorganised so it is easier for students to find books they are interested in. There are some new categories and new signage to help students check they are looking in the right section. There is also now more space for the books to be displayed front-facing which means students are more likely to pick them up.

## Accelerated Reader competition news

Since the last newsletter, students have earned 32 certificates for reading. There were 25 Bronze awards for reading over 100,000 words. Scarlet Bielby-Moss, Olivia Wood-Britton, Tyler Fenwick and Lily Riseam all earned Silver certificates for reading 500,000 words. Lily has also now earned her Gold certificate, as has Cannelle De Bruyn and Lilliana Jeffery. These three are the latest members of the Word Millionaire Club—a fantastic achievement.

Year 7 are still the group with the highest word count—they are now over 3 million words ahead of their closest rivals, Year 9. There has only been one change in the tutor group standings—7FMC have moved up to 5th place. However, the gaps between each group's word count have been decreasing and I'm anticipating change over the next few weeks. Especially if Year 7 keep up their current rate of reading and quizzing.

# WORLD BOOK DAY

7 MARCH 2024

**World Book Day** is fast approaching. Once the book tokens arrive we will get them handed out to students. More details to come but you can discover this year's free books now by visiting [worldbookday.com](http://worldbookday.com).

**Book Swap 7th March** - This year we will be celebrating WBD with a Book Swap. Students will be able to bring in books they have read or no longer want and swap them for something different. It's a great way to help them read more books at no cost to you. If you are planning some spring cleaning please consider sending in/dropping off any good quality books between now and 6th March. Make sure you label the bag/box with your child's name and tutor group. Students will receive an accolade for participating and we will

also be seeing which tutor group can bring in the most books. Any leftover books will be added to the library shelves or donated on.

## Book review:

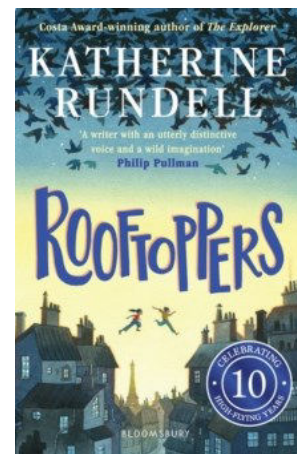

### Rooftoppers—Katherine Rundell

Sophie lives with her guardian, Charles. He rescued her when she was just a baby and was found floating in a cello case after a shipwreck. When no parents come forward for Sophie the authorities reluctantly give permission for her to stay with Charles. She has a delightfully unusual upbringing in the home of the distracted scholar—much to the ire of the authorities.

Charles always taught Sophie never to ignore life's possibilities. So when she finds a clue to the identity of her mother, who she has always been convinced is still alive, Sophie and Charles set off to Paris to find her. They also need to evade the authorities who want to remove Sophie from Charles' care.

In Paris she discovers the Rooftoppers—orphans who live on top of the buildings of the city. Her new friends play an important role in helping her evade the authorities and trying to track down her mother.

An adventure story with heart, full of vivid descriptions and wonderful characters.

## Visit your local library - for anyone struggling to heat their home this winter your

local library offers a warm space to spend the day. As well as free Wi-Fi there are comfy seats, games, and jigsaws. Plus all the books!

Find out more on the [East Riding Libraries website](http://EastRidingLibraries.com).

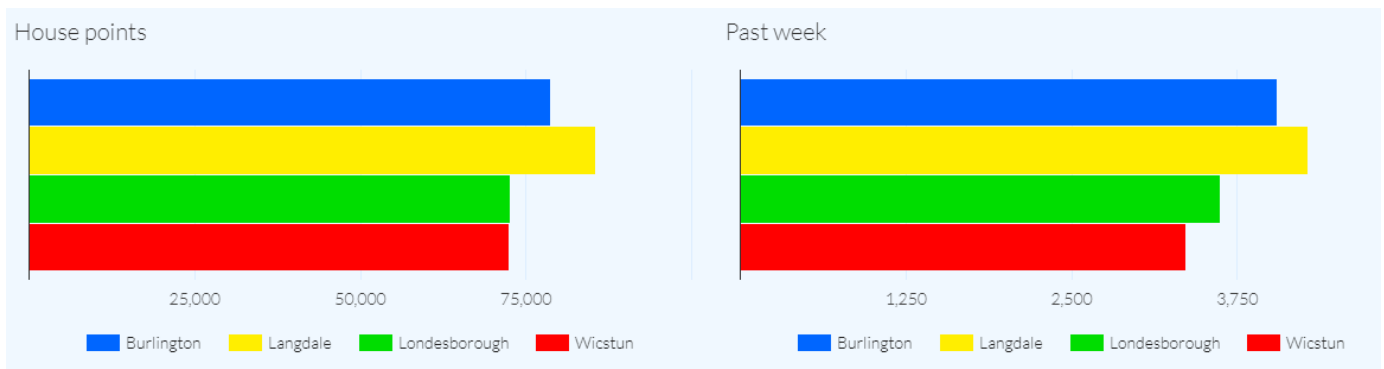

## E-praise Points January 2024

14 students have already achieved the **750** points target—Don't forget that you are working towards the reward trip at the end of the summer term 2024 and need 750 points to participate. Keep working hard for the opportunity to have a wonderful day out.

Tutor group out in front at the moment is Mr Morris', well done to all in 7JMO.

Warren has earned 64 points in the last week, how many can you earn in a week?

## Year 11 School Prom—Friday 28 June 2024

The school prom is now confirmed as being at Lazaat's in Cottingham.

There will be a drinks reception for students and families which has kindly been sponsored by Britcom.

# Wall of Excellence - Rewarding 'Industry'

Students who have had a piece of work chosen for the "Wall of Excellence" are published in our newsletters. Their work is then displayed on dedicated noticeboards in school to showcase their achievements. As a reward, these students will be credited with £2.00 on their School Gateway account and an Epraise Accolade. Parents receive a letter home to highlight how well they are doing. Please encourage your child to produce their best possible work and hopefully their hard work and industry will be rewarded. Below are a selection of the works that were chosen this month.

## School Lunches — Polite reminder and price increases

Parents are reminded to keep their child's School gateway account in credit. Our canteen staff do not like to refuse service to our students, but, if the account is in debt, TMWS is not obliged to provide food for students.

If you are having difficulty clearing a debt please contact our finance department who can discuss this with you and in the meantime please send your child with a packed lunch.

You may be entitled to Free School Meals, please follow the link below to see if you qualify.

### [ERYC FREE SCHOOL MEALS](#)

Despite over a year of high inflation on food costs we have avoided price increases but as prices continue to rise and staff costs also increase we have made some small increases across most of our meals and snacks. We are continuing to offer FREE veg with any meal and will be increasing the Free School Meal allowance to £2.75 to keep pace with these increases. This will be funded by the school as the amount we receive from government remains unchanged at £2:60

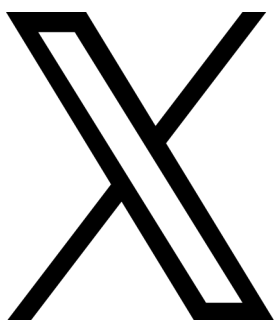

## Autumn Winter Uniform—V Neck Jumper/Sweatshirt/ Cardigan

Uniform has been extended to include an optional sweatshirt or cardigan for colder weather following a request from TMWS Student Council. Sweatshirts **must** have a V neck. Students not conforming to uniform rules will be asked to remove their jumpers/tops.

Sweatshirts, cardigans and Jumpers are all available from Price and Buckland on-line or other high street shops and supermarkets.

## Social Media

TMWS has both X and Facebook pages, please like and follow us to get our web updates straight to your phone. Keep up to date with events in school and the achievements of our students.
