Graded as Ofsted "Good" The Market Weighton School is on the edge of the town, but for many it is in the heart of the community. It is a caring school that has values of 'respect, honesty, compassion, resilience, industry and courage'. Our inspired pupils are happy to demonstrate these qualities because they understand their importance. We are a small school, proud of our traditional rural heritage, yet ambitious for the future of all our students. Our size is a real strength as it enables students and their families to work closely with the teaching and support staff at the school, building positive working relationships. We believe that students achieve best in a supportive and positive environment – and that is what you will find in our school.
